**An exploration of what it means to be Polish as its population ‘becomes European’ following Poland’s entry into the European Union.**

[Bronislaw Malinowski Social Science Award](#)

“Galbraith’s innovative book is a must for anyone interested in postsocialist transformations. Through the author’s deep understanding of Poles’ cognitive categories, we see the EU as it is experienced in everyday life. Her insights will spark new debates in European studies.” —Jaro Stacul, University of Alberta

“A wise and interesting book based on a fresh field of evidence which highlights issues important to individuals as well as societies.” —Zofia Sokolewicz, Professor Emerita, Institute of Ethnology and Cultural Anthropology, University of Warsaw

This book explores the life-story narratives of southern Poles, and asks what it means to be Polish as its population ‘becomes European’ following Poland’s entry into the European Union.

### Contents

List of Figures and Tables; Acknowledgments; 1: Introduction: Being and Becoming European in Postcommunist Poland; 2: ‘We Have Always Been in Europe’: Deploying the Past to Shape the Present; 3: ‘Unbelievable! Poles Are Happy’: Looking Toward the Future; 4: ‘We’re European because We’re Polish’: Local, National and European Identities; 5: ‘EU Membership Gives Poland a Better Chance’: Perspectives on European Integration; 6: ‘Now We Can Travel Without a Passport’: Mobility in the European Union; 7: ‘This Region is Our Priority’: EU Subsidies and the Development of a Transnational Regional Community; 8: Conclusion: Coming of Age in Europe; Appendix: List of Participants; Notes; References; Index
