First scholarly critical edition of four moon voyage stories published by Americans prior to the Civil War.

'Voyage to the Moon' And Other Imaginary Lunar Flights of Fancy in Antebellum America gathers for the first time in a scholarly critical edition four moon voyage stories published by Americans prior to the Civil War. Included in this volume are the works by George Tucker, Edgar Allan Poe, Richard Adams Locke and John Leonard Riddell. Along with a general introduction to the collection as a whole, each story has its own introductory material along with explanatory footnotes and appendixes to help identify the key points of its textual and cultural history.

Readership

This volume is of particular interest to science fiction enthusiasts as well as readers interested in early American publishing, science and travel writing.
