The Anthem Companions to Sociology offers wide ranging and masterly overviews of the works of major sociologists. The volumes in the series provide authoritative and critical appraisals of key figures in modern social thought. These books, written and edited by leading figures, are essential additional reading on the history of sociology. — Gerard Delanty, Professor of Sociology, University of Sussex, Brighton

This ambitious series provides an intellectually thoughtful introduction to the featured social theorists and offers a comprehensive assessment of their legacy. Each edited collection synthesizes the many dimensions of the respective theorist's contributions and sympathetically ponders the various nuances in and the broader societal context for their body of work. The series will be appreciated by seasoned scholars and students alike. — Michele Dillon, Professor of Sociology and Dean of the College of Liberal Arts, University of New Hampshire

*The Anthem Companion to Philip Selznick* is a collection of essays by renowned authors on the preeminent sociologist.

#### Contents
