### A history of the role of Portuguese and Sephardic merchants in the tobacco industry and trade of Amsterdam

The book surveys the role of Portuguese and Sephardic merchants in the contraband tobacco trade in the late sixteenth- and early seventeenth-century Atlantic world. It offers a historical-geographic perspective linking Amsterdam as an emerging staple market to a network of merchants of the “Portuguese Nation,” examining the illicit trade in the context of rivalry between Spain and the Dutch Republic during the Eighty Years’ War.

#### Readership

In general, students and scholars of the Dutch Golden Age, and, more specifically, students and scholars in Atlantic Studies, Caribbean Studies, Iberian Studies as well as Jewish Studies.
