Series: Gender and Culture in the Romantic Era, 1780–1830; Anthem Studies in Travel

“During his long and successful literary career, Nikolai Gretsches wore many hats—a philologist, pedagogue, writer, journalist, editor, and memoirist. The literary journal that he edited was instrumental in bringing all the best authors of the age to the Russian public. But less known are his accomplishments as a travel writer. An avid tourist, Gretsches crisscrossed many parts of Europe and wrote fascinating travelogues that are brimming with keen insights and vivid portraits of the European countryside, its history, and its notable personalities. Now, for the first time, we have his travel letters available in English. Lucidly translated and excellently edited by Ben P. Robertson and Ekaterina Kobeleva, this three-volume set offers us a unique opportunity to journey across post-Napoleonic Europe and see it through the perspicacious eyes of a witty, informed, and sophisticated observer. Highly recommended! — Alexander Mikaberidze, Louisiana State University, US

“Ben P. Robertson and Ekaterina V. Kobeleva’s deftly crafted edition of *Nikolai Gretsches Travel Letters* brings forth the verve and wit running through a Russian subject’s correspondence touching on daily and political life in post-Napoleonic Europe. Entertaining and informative, inflected by his personal preferences for monarchic Britain over monarchic France and the Kingdoms of Germany, Gretsches observations say much about the political and social conditions of his moment. The letters and their commentary are a delight to read.” — Verena Andermatt Conley, Harvard University, US

Nikolai Gretsches Travel Letters reprints the travel letters of Russian journalist Nikolai Gretsches, who visited post-Napoleonic England, France, and Germany in 1837. Gretsches witty and perceptive prose captures an outsider’s view of Western Europe in the early nineteenth century, providing a treasure-trove of cultural information about contemporary daily life.

About the Authors

Ben P. Robertson is professor of English at Troy University. He teaches writing and literature and is especially interested in transnational Romanticism.

Ekaterina Kobeleva is a Lecturer in English at Troy University. She teaches writing and world literature and has developed a special interest in translation techniques.
