Integrating analysis and a honed interpretation of the near-total gamut of the oeuvre to-date of Professor Fiona Sampson, the book synthesizes its rigorous discussions of the poetry, prose in different genres, and literary practices of Professor Sampson over a decades-long and much-lauded literary career to date. Including biographical insights, the book goes on to show how the oeuvre of a major contemporary poet and writer evinces a vital literary intelligence and a vision of literary practice on and for the contemporary literary scene.
