Reviews changes in attitudes towards immigrants in Britain using a historical linguistic method of analysis.

This book reviews changes in attitudes to immigrants in Britain and the language used to put these feelings into words between 1841 and 1921.

Readership

A worldwide audience of academics, students and organisations in history (including conductors of courses in modern British history, history of migration). A secondary market consists of academics, students and organisations in linguistics, communication studies, law, political science and sociology. In addition, the book will find many interested readers in the general public, politics, administration and judiciary.

Key selling points

- Applies a novel historical and linguistic method to unearth new findings
- Examines primary sources that for this purpose have so far been underused
- Builds on and extends the existing literature on this subject, also bringing this highly segmented literature all together
- Gives a rare insight into the development of attitudes to immigrants in a modern western society

Contents

List of figures and tables; Preface, Introduction; Chapter 1. The meanings of alien; Chapter 2. Quantitative analysis of the use of alien; Chapter 3. Qualitative analysis of the use of alien; Conclusion; Index.

About the Author(s) / Editor(s)

Ben Braber is a historian who specialises in integration of immigrants and their descendants into western European societies during the modern era.
