This book describes the Brazilian position in the international scenario and presents an authentic and provocative point of view on Brazilian international relations.

What do you think when someone mentions “Brazil”? Probably the first ideas that come to your mind are samba and football. Maybe you think of Pelé, Neymar, Ayrton Senna, and Giselle Bundchen. Maybe you think of the rainforest and Rio. But have you ever thought Brazil to be a country afraid of becoming more international? Written by a Brazilian expert in foreign affairs, this book describes the Brazilian position in the international scenario and presents an authentic and provocative point of view on Brazilian International relations. You will read a little about football and samba, but you will also be presented to a comprehensive set of themes, such as the impact of COVID-19, regional agreements, bilateral relations, finances, and migration.
