**The most complete manual ever written to master the art of writing in every professional setting.**

The Craft of Professional Writing, 2nd edition is the most complete manual ever written for every form of professional (and professional quality) writing. Its chapters range from toasts and captions to every form of journalism to novel writing, book authorship and screenplays. The book offers techniques for the writing of each form, sample templates, and the advice on navigating a career in each writing field, including public relations and commercial writing, journalism in all media and self-employment as a freelancer. It also offers sections on the tools of writing, including pacing, editing, pitching, invoicing and managing the highs and lows of the different writing careers.

#### Key selling points

Comprehensive – the most complete work in the field

Templates for every writing format; perfect reference book for professionals

Career development – strategies for advancement and career business management

Author is veteran writer with experience in every field at the national and international levels

#### About the Author(s) / Editor(s)

Michael S. Malone is Dean's Professor of Professional Writing at Santa Clara University and Distinguished Friend of Oxford University. He is one of the world's best-known technology writers.
