Extent: 248 pages **RIGHTS**
Size: 153 x 229 mm / **Exclusive:** WORLD
 6 x 9 inches

This is a groundbreaking book about the oldest annalistic account of Ottoman history that has come down to us.

Ahmedi's *History of the Kings of the Ottoman Lineage and Their Holy Raid(s) against the Infidels* is the foundation text for the study of the rise of the Ottoman State. Virtually, every scholarly work dealing with the subject refers to his versified account of the early Ottomans. Even though it encompasses only a limited period of the Ottoman dynastic history, its importance derives from the fact that it is the oldest annalistic account of Ottoman history that has come down to us. Because the earliest Ottomans left no accounts of themselves, Ahmedi's work became the key source—though almost always without a proper reading of the text—for subsequent theories regarding the social and political structure of the early Ottoman State.

Readership

Turkologists, Ottoman historians, world historians and also advanced-level university students of history and philology

Key selling points

- The book not only offers a brand-new philological reading of the oldest known Ottoman history but also provides the scholars and students of Ottoman history with the most authoritative edition and translation available until now.
- Its “Critical Index Verborum” provides significant historical linguistic data to the scholars of Turkology.
- The book is written/prepared not only for Turkologists, Ottoman historians, and world historians but also for advanced-level university students of history and philology.
- In the *Origins of the Ottoman Dynasty*, for the first time ever, four major manuscript folios of the oldest known Ottoman history are reproduced in full color.

About the Author(s) / Editor(s)

Dr. Kemal Silay is Professor of Ottoman and Modern Turkish Studies in the Hamilton Lugar School of Global and International Studies at Indiana University, Bloomington, USA.
