Illustrates how Daniel Morris learned to attend to avant-garde contemporary American poets whose aesthetic contributions were not part of his education

Merging autobiography and literary criticism, Daniel Morris illustrates in sixteen essays how he learned to attend to avant-garde contemporary American poets whose aesthetic contributions were not part of his education.

Readership

Those interested in the Boston area poetry scene, readers interested in what is happening now in poetry, classroom instructors who want to approach poetry in combination with the visual arts and performance studies, and book clubs and organizations devoted to the study of Jewish American literature and culture.

Key selling points

Narrates a compelling story, based on the author's education, that is appealing to present-day students

Reveals the author's judgements, learning, and insights into the lives and works of legendary figures and emerging voices on the poetry scene

Devotes many chapters to Jewish American culture makers

Focuses on how to teach challenging modern and contemporary poetry in general education courses designed for non-specialist students

About the Author(s) / Editor(s)

Daniel Morris is Professor of English at Purdue University, USA.
