A study of the state of affairs of artificial intelligence in key locations around the world

While there has been growing interest in artificial intelligence worldwide, reading material on the subject within an international context remains scarce. *International Perspectives on Artificial Intelligence* assembles thought leaders from around the world to advance thinking on the state of affairs of artificial intelligence in key locations around the world.

Readership

The book targets executives, entrepreneurs, government employees as well as those in the academe.

About the Author(s) / Editor(s)

Mark Munoz is a Professor of International Business at Millikin University in Illinois, and a former Visiting Fellow at the Kennedy School of Government at Harvard University. He is the recipient of several awards including four Best Research Paper Awards, an international book award, a literary award and the ACBSP Teaching Excellence Award among others. Aside from top-tier journal publications, Munoz has published over 20 books including *Winning Across Borders*; *International Social Entrepreneurship*; *Contemporary Microenterprises: Concepts and Cases*; *Handbook on the Geopolitics of Business*; *Managerial Forensics*; *Advances in Geoeconomics*; and *Global Business Intelligence*.

Alka Maurya is a Professor at Amity International Business School, Amity University, Noida. A Computer Science graduate, she has done her Masters in International Business from the Indian Institute of Foreign Trade, New Delhi. She has over 20 years of experience in teaching, research and consulting.
