6 x 9 inches

A heterodox explanation for the persistent low level of development in CARICOM nations.

The book seeks to determine why CARICOM nations, despite their incorporation into the international economy for almost four hundred years, have experienced little meaningful economic transformation.

Readership

Undergraduates and professors interested in Economic Development, Political Economy of the Caribbean, Caribbean Economic Development, Comparative Economic Development, Latin American and Caribbean Development, Caribbean Economic History, Regional Economic Development, International Economic Relations.
