**Explores major socio-economic trends that will define sub-Saharan Africa in the next three decades, focusing on the urgent need to create jobs in response to unprecedented demographic growth, through a combination of economic analysis and easy-to-read personal investment stories**

Africa: Envisioning Tomorrow explores the major socio-economic trends that will define the face of the sub-Saharan continent in the next three decades. It mainly focuses on the need to massively create jobs due to unseen demographic growth. The book combines economic analysis with stories of own investment experiences on the ground.
