RIGHTS

Exclusive: WORLD

Critiques how capitalist policies and institutions stifle labour's creativity and productivity, exploring working people's daily experiences and presenting alternatives to market-driven development

Everyday Encounters with State and Capitalism depicts the experiences of working people and how the state and capitalism squeeze their labour and knowledge traditions in the processes of profit maximisation.

Readership

UG/PG students, researchers, academics, general readers and practitioners will be the primary and secondary market for the book.

Key selling points

First book to outline everyday experiences with state and capitalism for the general readers.

This moves away from narrow disciplinary silo and critically reflects on the conditions of people and the planet to understand the negative impacts of state and capitalism.

The book moves beyond regional-geographical barriers and covers a wider world.

It expands the existing theories of everyday capitalism and state.
